FOODSERVICE PRODUCT CATALOG

# OUR STORY

The history of Savencia Fromage & Dairy began in a small cheese factory in France in 1956. Today, Savencia is the leader in specialty cheeses around the globe.

Savencia Cheese USA has four dairy plants in the US producing high quality fresh and amazing soft-ripened cheeses, blue cheese, spreadable cheese and cream cheese. We also feature a number of our best cheeses from France.

Savencia Cheese USA delivers world-class dairy products designed to delight chefs, expand application variety and inspire creativity.
